

Book Discussion of "To Kill a Mockingbird" **by Harper Lee** ^[1]

Monday, December 9, 2013 -
6:00pm to 7:00pm

The unforgettable novel of a childhood in a sleepy Southern town and the crisis of conscience that rocked it, *To Kill A Mockingbird* became both an instant bestseller and a critical success when it was first published in 1960. It went on to win the Pulitzer Prize in 1961 and was later made into an Academy Award-winning film, also a classic.

Compassionate, dramatic, and deeply moving, *To Kill A Mockingbird* takes readers to the roots of human behavior - to innocence and experience, kindness and cruelty, love and hatred, humor and pathos. Now with over 18 million copies in print and translated into forty languages, this regional story by a young Alabama woman claims universal appeal. Harper Lee always considered her book to be a simple love story. Today it is regarded as a masterpiece of American literature.
