**Commission Business:**

- 1. Marijuana Regulation Discussion.** Nancy Malone. Last month we talked a little about the marijuana issue. Commissioners were mailed a handout. No decision needs to be made tonight. The city will be taking this back before the council next month to request the moratorium to be extended another 6 months. This will give time to work on code language and zoning. Stephanie and I did have an opportunity to sit in on a webinar today. When the Washington State Liquor Control Board (WSLCB) receives an application they will notify the local authority. The local authority has 20 days to respond to the WSLCB. The local authority can ask for an extension from that 20 days based on different time frames, zoning code, more investigation into the location. The WSLCB will be conducting an inspection of all retail establishments and locations of such. They will do the measuring of the 1000 foot radius that the applicant needs to meet to make sure they comply with the WSLCB requirements.

Kelso is allowed 1 retailer. There is no limit to how many producers or processors one jurisdiction can have. There is however a state wide limit. If the local authority was to object to an application that was submitted to the WSLCB there has to be a legitimate reason why. It can't be because we have a moratorium in place, we don't have the zoning, it's not an allowed use. Have to have a specific reason, whether it is a legality, criminal history of applicant, or if there is over service in certain areas. The city and applicant can request the WSLCB hold a public hearing.

Prescreening – WSLCB will do the criminal history/background and residency check. WSLCB does have a map in place to highlight areas within the 1000 ft.

How will the business license applications be routed? As they are now? Will the applications come to the Planning, Fire, Police Departments and possibly Public Works for review for agreement of location?

When the WSLCB sends notices it will be sent to the Mayor or to the City Manager. Nancy will need to sit down with the city attorney and city manager to make sure we are all on the same page. Notice needs to be routed to the proper reviewers.

Trails are not classified as a park.

Renewal Requirements will consist of – WSLCB will be looking at are there any specific type patterns, fights, DUI's, crowds, to many police/fire department calls to that location. If there are, their license will not be renewed.

A handout was provided to the Commission. 'Regulating Marijuana to Comply with State Laws Forthcoming Work'. Nancy provided a brief overview of document.

WSLCB application fees are non-refundable. The WSLCB will not take in consideration of zoning for the city. WSLCB will only look at the location within WSLCB guidelines. WSLCB will not look at city's specific rulings regarding marijuana. Discussion followed.

You can have a producer and processor within the city limits. You cannot be a producer processor and retailer. Discussion followed.

Cannot be residential. Commission to decide what areas does the city have available in the commercial and industrial zones. Maybe put it in the Sexually Oriented Business area, which is an overlay zone. Discussion followed.

2. **Solar Power Information.** Handout was provided to Commission 'Promoting Solar Energy Use Through Local Planning, Promoting Solar Energy use Through Local Development Regulations Powered by Sun Shot U.S. Department of Energy'.

Commissioner Rick VonRock – Great handout given. Also we were discussing wind power as a combination of things. City of Longview has implemented a small wind energy system.

Nancy Malone – Commission and city look at writing up requirements and establishing zones. Lot coverage? Location? Existing structures? Roof top type? Ground type? Review process? Nothing is currently in the code. The city code does state if it's not in the code it is not allowed. Discussion followed.

3. Commissioner VonRock wished everyone a Happy Thanksgiving.
4. Nancy Malone – Next month, weather permitting, Gregg Dohrn (consultant) should be here to discuss the Comprehensive Plan update. Waiting on mapping updates to provide to Gregg.
5. New to Kelso:
  - a. Application in for a Car wash behind Jack in the Box
  - b. 4000 sq.ft. Retail building behind Starbucks
  - c. New 12 screen cinema. Demolition permit should be in the next few weeks. Demoing the old Sears store. New McDonalds going in.
  - d. Visitor Center is not complete.
  - e. West Main should start the demolition of some of the structures in the next few weeks.
  - f. Kelso Village nothing new.
  - g. Community Housing Project (1124 N. Pacific Ave.). Almost finished. There has been a lot of discussion and city is still hoping for cottage housing. With the cost of the infrastructure and Cap only having a certain amount of money available for construction. Nancy is hoping between the city and CAP and any grants that can be acquired can help with the infrastructure to get the project done.

**Adjournment:**

There being no further business, Commissioner Wade made the motion seconded by Commissioner Jones to adjourn at 6:48pm.

Rick VonRock, Planning Commission Chair

Respectfully submitted:  
Stephanie L. Helem, Recording Secretary

- B. The Type II and Type III uses listed in Table 17.15, and all matters directly related thereto shall be reviewed in accordance with the review process described in Section 17.10.040, Title 18B, and the applicable standards of this title to ensure:
  - 1. Consistency with the city comprehensive plan goals, objectives, policies and development criteria;
  - 2. The intent, character and development standards appropriate to the zoning district within which it is to be located;
  - 3. Compatibility with other uses; and
  - 4. Other relevant requirements of state or county law.
- C. If a proposed use is to be situated on property within the jurisdictional boundaries of the Kelso Critical Areas Ordinance/Shoreline Master Program, it shall be subject to the permits and procedural requirements thereof in addition to all applicable standards of this title. If a conflict exists between the standards of the Kelso Critical Areas Ordinance/Shoreline Master Program and this title, the more restrictive provisions shall apply.

**17.15.015 Similar Uses.**

- A. When a proposed use is not classified within any of the categories of Table 17.15, but appears to be similar in character and consistent with the purpose of the zoning district, the matter may be referred to the administrative official to determine whether or not the unclassified use is similar to a use currently listed as a Type I, II or III use for the zoning district.

**17.15.020 Land Use Table.**

The following Table 17.15 indicates those uses which may be permitted through Type I, II or III review in the various zoning districts defined in this title. In addition to Table 17.15, reference to the individual zoning districts and, where indicated, the regulatory notes of Section 17.15.030 (footnotes) and definitions of Chapter 17.08, is necessary in order to determine if any specific requirements apply to the listed use.

- A. If no symbol appears in the box at the intersection of the column and row, the land use is not allowed in that district.
- B. Use classifications are listed on the vertical axis and City of Kelso zoning districts are shown on the horizontal access.
- C. If a number appears next to the review classification symbol at the intersection of the column and row than that use is subject to special standards listed as footnotes following Table 17.15 in Section 17.15.030.
- D. If a letter appears adjacent to the use classification that land use is subject to performance standards listed in Section 17.15.040. These standards are in addition to other applicable standards of the Kelso Municipal Code.

Sections:

- 17.15.010 Designations.
- 17.15.015 Similar Uses
- 17.15.020 Land Use Table
- 17.15.030 Footnotes.
- 17.15.040 Use Performance Standards

**17.15.010 Designations.**

- A. Type I uses listed in Table 17.15 shall be reviewed in accordance with the review process described with Section 17.10.035, Title 18B, and the applicable standards of this title.
- B. The Type II and Type III uses listed in Table 17.15, and all matters directly related thereto shall be reviewed in accordance with the review process described in Section 17.10.040, Title 18B, and the applicable standards of this title to ensure:
  - 1. Consistency with the city comprehensive plan goals, objectives, policies and development criteria;
  - 2. The intent, character and development standards appropriate to the zoning district within which it is to be located;
  - 3. Compatibility with other uses; and
  - 4. Other relevant requirements of state or county law.
- C. If a proposed use is to be situated on property within the jurisdictional boundaries of the Kelso Critical Areas Ordinance/Shoreline Master Program, it shall be subject to the permits and procedural requirements thereof in addition to all applicable standards of this title. If a conflict exists between the standards of the Kelso Critical Areas Ordinance/Shoreline Master Program and this title, the more restrictive provisions shall apply.

**17.15.015 Similar Uses.**

- A. When a proposed use is not classified within any of the categories of Table 17.15, but appears to be similar in character and consistent with the purpose of the zoning district, the matter may be referred to the administrative official to determine whether or not the unclassified use is similar to a use currently listed as a Type I, II or III use for the zoning district.

**17.15.020 Land Use Table.**

The following Table 17.15 indicates those uses which may be permitted through Type I, II or III review in the various zoning districts defined in this title. In addition to Table 17.15, reference to the individual zoning districts and, where indicated, the regulatory notes of Section 17.15.030 (footnotes) and definitions of Chapter 17.08, is necessary in order to determine if any specific requirements apply to the listed use.

- A. If no symbol appears in the box at the intersection of the column and row, the land use is not allowed in that district.
- B. Use classifications are listed on the vertical axis and City of Kelso zoning districts are shown on the horizontal access.
- C. If a number appears next to the review classification symbol at the intersection of the column and row than that use is subject to special standards listed as footnotes following Table 17.15 in Section 17.15.030.
- D. If a letter appears adjacent to the use classification that land use is subject to performance standards listed in Section 17.15.040. These standards are in addition to other applicable standards of the Kelso Municipal Code.
