

The City of Kelso is a quaint little community in the heart of Cowlitz County Washington.

The City of Friendly People!

Its origins date back to 1844 when surveyor Peter Crawford, who platted the City along the banks of the Cowlitz River, named the new community after his home in Kelso, Scotland.

Almost 12,000 people call Kelso home and enjoy the areas vibrant parks, festivals, and shopping and dining locations.

City of Kelso

Recruiting for:

Senior Engineer

\$5,831 - \$7,095 per month

The City of Kelso is at the center of it all!

Within 100 miles you can find yourself at:

- Mount St. Helens
- Seattle, WA or Portland, OR
- Ocean Beaches
- Cascade Mountains
- Columbia River George

Regional activities include:

- Hiking and Biking
- Hunting and Fishing
- Mountain Climbing
- Water Activities
- Skiing and Golfing

The City Hall of Kelso is home to the Administration, Finance, Engineering, Community Development, and Police Departments.

Kelso takes great pride in its Scottish heritage and places it on lavish display each September during the Highlander Festival. Food, dancing, and live music!

The City of Kelso is seeking qualified, highly-motivated candidates for the position of Senior Engineer.

Under general supervision of the Community Development Director/City Engineer, perform professional level engineering work in a lead capacity on a variety of Public Works projects.

We have an innovative organization with Engineering merged with Community Development. This allows us to more fully integrate land use and capital planning efforts.

- \$5,831 - \$7,095 per month
- 15 Paid Vacation Days a Year
- Sick Leave
- Paid Health Insurance Premium for employee and dependents
- Dental Insurance
- State PERS Retirement

More than Engineering:

- Lead teams and manage projects
- Participate in policy making
- Work closely with Operations and Maintenance
- Potential for growth and advancement

Example Projects:

- Yearly pavement preservation projects
- Annual water and Sewer System improvements
- Minor Rd. Reservoir replacement
- South Kelso grade separation

Required Qualifications

- Bachelor's degree in Civil Engineering
- Three years experience preferred
