

## West Main Street Realignment Project

# Join Us for an Open House

**Wednesday, November 3, 2010**  
**5:00 - 7:00 pm**

**Kelso City Hall**  
**City Council Chambers Room**  
**203 South Pacific**  
**Kelso, Washington 98626**

The public is invited to attend our next Open House for the West Main Street Realignment project on Wednesday, November 3, 2010 from 5:00 pm – 7:00 pm at Kelso City Hall. Our last Open House in February included a presentation of alignment options, evaluation results, costs, and schedule information. Attendees were provided opportunities to ask questions, provide input, and fill out project comment forms. Subsequently, City Council selected Alternative 3A as the preferred alignment to move ahead into design. Alternative 3A includes the cross-over from West Main to Catlin occurring in the vicinity of 2nd – 4th Avenues and the widening along Catlin occurring to the south side of the existing street. The project design has since progressed to the 30% detailed design level for submittal to the environmental review agencies.

At the Open House, you will have an opportunity to view preliminary plans of the project along with schedule status and upcoming work. You will have an opportunity to ask questions and provide additional input.

We look forward to seeing you. Please feel free to visit the project web site [www.publicworks.kelso.gov](http://www.publicworks.kelso.gov) for project information. If you have questions or would like to provide comments, you can also contact the City's Project Manager, Al King, at (360) 438-2837 or [WestMain@Kelso.Gov](mailto:WestMain@Kelso.Gov).
