

Municipal Stormwater IDDE Program ^[1]

Date Uploaded:

Friday, January 30, 2015

This Municipal Stormwater Illicit Discharge Detection and Elimination (IDDE) program was written to comply with the Phase II Municipal Stormwater NPDES Permit (Permit) for Western Washington; specifically, sections S4.C, S4.D, and S5.C.3. This manual is intended to establish and guide internal policy, procedures, training, scheduling and to document those items that are already in place.
