Date:

Mon, 08/31/2020

The City of Kelso recognizes the hardships the current COVID-19 crisis is having on the citizens and small business owners of our community. If you are experiencing financial hardships due to COVID-19 restrictions, please contact City Hall at 360-578-7915 or utilities@kelso.gov ^[2]; // --> to make arrangements for a utility payment plan to be put in place to help you through this period. Payment arrangements are available to all citizens, but we will require information to confirm the hardship has been created by the COVID-19 crisis to qualify for COVID relief. Communication with the City will help ensure that services are not disconnected for non-payment.
