

**Note:**  
 All features depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation, including wetland and ordinary high water mark delineation, may be needed to confirm/verify information shown on this map. A description of the boundary locations between SEDs is provided for areas where the SED change does not occur at a parcel boundary.

KS-14/KS-15  
 Boundary follows and extends the location and direction of the northern parcel line of R039162.

KS-17/KS-18  
 Boundary is adjacent to the northernmost point of parcel R038764.

KS-01/KS-02  
 Boundary is co-located with boundary of wetland as determined by a wetland delineation. Approximately 175 ft. west of parcel R039204

KS-11/KS-12  
 Boundary is co-located with boundary of wetland as determined by a wetland delineation. Located within railroad ROW, approximately 65 feet east of western parcel line R039195.
