SEPA Checklist Routing Form

Date: May 26, 2021

File #LUA2021-0012: The Consolidated Diking Improvement District #3 of Cowlitz County (CDID #3) is requesting Shoreline Exemption for the 2021 Levee Maintenance Project consisting of work at two locations on the Coweeman River levee and one location on the Cowlitz River levee. CDID #3 is requesting Shoreline Exemption per WAC 173-27-040(2)(b) because the work to be completed is normal maintenance on existing levees. The normal maintenance at the three levee locations will prevent decline of each levee and continue to provide needed flood protection without causing substantial adverse effects to the shoreline environment.
